**SECRET 1**

## prevent peekaboo!

If you're wearing a dress that doesn't need a bra, these skin-colored stickies prevent nipples from showing through!

**SECRET 2**

## free your hands!

Juggling a clutch all night can get awkward. Sling this bag's extra-long strap over your shoulder and focus on having fun instead.

**SECRET 3**

## anchor your earrings!

Heavy earrings can drag your ears down—but if you dab a bit of clear eyelash glue on your lobes, it distributes some of the weight and keeps earrings in place!

**eyelash glue**

**SECRET 5**

## don't flash your date!

Make a short floaty dress stay down—stitch a few drapery weights along the inside hem to keep it in place when you move.

**SECRET 4**

## save your heels!

Don't you hate when your shoes get stuck in the grass? Slide these on before you walk on the lawn for pictures. They'll keep you above ground!
