

WELL-HEELED

Ever get the sinking feeling that your favorite stilettos will get stuck in the grass at an outdoor ceremony? Now there's a stylish solution: wide polymer bases that slide onto the bottom of heels (*below*). At a recent farm wedding, the extra support kept me steady and sure-footed. SoleMates High Heelers (\$12; thesolemates.com) come in clear and black, or opt for a jeweled pair from Clean Heels (from \$11; www.cleanheels.co.uk).
